Hi Laura and Meg,

Colorado has an approved State transportation conformity SIP (EPA-approved 79 FR 12079, March 3, 2014). Their conformity SIP element is contained in Colorado's Regulation No. 10. The below weblink will take you to Regulation No. 10 on the Colorado Air Quality Control Commission's website:

Thanks!

Tim

Subject: Denver conformity SIP?

Hi Tim,

Meg was thinking Denver has an approved conformity SIP. Is that something you could find and send to Meg and me? (The context is I-70 review.)

Thanks much,

Laura Berry
